Shepards Port and the **Snettisham Beach** area is a popular, unique location tucked away on the West Norfolk coastline. This area is a haven for wildlife, well known for migrating birds with RSBP Snettisham only a short walk away with its various lakes and shoreline onto 'The Wash'. Snettisham Beach Sailing Club is nearby with regular sailing and social events throughout the season. Amenities are available in the nearby villages of Dersingham and Heacham with the nearby seaside town of Hunstanton further providing supermarkets, independent cafes and restaurants. **46 Bank Road** is a well positioned plot of reasonable depth with a well specified, 41' static caravan sited along with a timber 'annex' / store. The Vendors have made various upgrades during their ownership including replacing the fencing all around so the property is secure for pets, replacing the decking at the front & side of the caravan and laying a paved patio area in the rear garden making an ideal area for alfresco dining. The property benefits from mains electricity & water supply with the caravan having a wet radiator central heating system served by a boiler run on LPG gas. The separate 'Annex'/Store is of timber construction with a corrugated roof which the Vendor advises has been recently replaced with insulation added and is fitted with a WC and shower, ideal for guests or washing down pets after long beach walks. The property would make an ideal holiday home and is considered to have excellent potential as a holiday let due to the popularity and convenience of this location.
