2 West Gate

Plumpton Green, Lewes, BN7 3BQ

A rare opportunity to acquire a beautifully presented four-bedroom detached home, set within the exclusive and peaceful Westgate Close in the charming village of Plumpton Green.

This property enjoys a quiet setting in a residential close of similar detached homes, backing onto the 'sleepy' village hall with beautiful gardens and tranquil green and blue spaces'. It's just a short walk from Plumpton mainline train station, providing good connections to London and Brighton...ideal for commuters seeking a tranquil home base.

The house, built circa 1985 in the traditional 'Sussex' style, has been immaculately maintained and modernised throughout, and is positioned on a generous corner plot with a South/South-Easterly facing rear garden. The fitted solar panels and battery storage can allow the homeowner to earn money for excess renewable electricity generated.

Inside, the accommodation includes four double bedrooms, a family bathroom, and a master en-suite.

Downstairs features a bright and welcoming sitting room with full-length patio doors that open directly to the garden, a large open plan modern kitchen diner with integrated appliances, ample space for a table and chairs plus a separate utility room with a UPVC stable door to the outside. There is underfloor heating throughout the majority of the downstairs, and there is also a convenient downstairs w/c.

The property benefits from a large detached garage, a private driveway with parking for at least two vehicles and a recently installed air source heat pump.

The rear garden is a standout feature, landscaped with multiple seating areas perfect for entertaining, along with secluded corners that offer privacy. It includes a variety of trees, vegetable plots and a charming water feature, all carefully maintained to create a peaceful retreat.

This is an exceptional home offering spacious and flexible accommodation in turnkey condition, located in a vibrant rural community with excellent transport links.
